Facilitating Official UAE Delegations' Visits Abroad

About the Service

This service provides a unified online platform to coordinate and facilitate visits abroad by official UAE delegations. It supports the various stages of a visit through a single process that simplifies procedures, reduces administrative steps, improves coordination among the entities involved, and helps provide delegations with an organized experience.

Target Audience

Federal and local government entities in the UAE

Service Channels

Ministry of Foreign Affairs website

Key Requirements

- The applicant must confirm that all information provided is accurate and complete so that the necessary visit arrangements can be made in accordance with the applicable requirements.
- Applications must be submitted 7 to 14 working days before the visit to allow time for the required approvals and official procedures.
